

Washington State GEAR UP

Participation Log: College, Job, & Vocational Visits

Directions:

1. Use this form to document participation in GEAR UP college campus, job, & vocational visits.
2. Enter participation in the WSAC Portal Database. The form must be accurate and legible.
3. For ALL student activities, the student is required to sign in. Computer-generated forms are not acceptable documentation unless the student signs to verify participation.
4. The log and the portal must match the Expenditure Detail Form for attendance when food is provided.
5. When entering the college campus or educational field trip, only the time spent at the location is entered in the Portal; do not count the travel time to and from the location.
