OPERATE OUT OF VISION

“ Through inspirational storytelling I want to impact people and help them tap into the power of their potential so they can lean into their greatness. ”

The meaning of life is to
FIND YOUR GIFT.
The purpose of life is to
GIVE IT AWAY.

Award Letter

What is an award letter?

- An award letter is a document from a college that describes the details of the financial aid that they are offering to you.
- Award letters can look very different college to college.
- Although referred to as a financial aid “award,” “offer” or “package,” remember that some of this money is usually loans that will need to be paid back.
- Award letters represent financial aid for 9 months (fall, winter, spring). You would need to apply for summer financial aid separately if you want to take summer courses.
- Remember that you do not have to accept all of the loans that are offered to you. You have the option to “decline” or accept a lower amount of loans.

...What Types of Financial Aid are there?

Grants

This is money offered by the **federal** and **state** governments that you **do not** have to pay back... **Unless**

Scholarships

- Merit based
- Need based
- Identity based
- Activity based
- College Bound Scholarship
- Athletic
- Military
- Employer sponsored tuition support

...What Types of Financial Aid are there?

Some Common Grant Names

- \$ Federal Pell Grant
- \$ SEOG Grant (*Supplemental Educational Opportunity Grant*)
- \$ State Need Grant (*Varys school to school*)
- \$ Institutional Grants
- \$ College Bound Scholarship

...What Types of Financial Aid are there?

Loans

A type of financial aid you **must pay back**. There are a few types:

- \$ **Subsidized**
- \$ **Unsubsidized**
- \$ **Private**

...What Types of Financial Aid are there?

Work Study

- \$ A program that allows students to take a part-time campus job as part of their financial aid package.
- \$ There is **state** and **federally** funded work study.
- \$ Must do FAFSA or WASFA to qualify.
- \$ Not **guaranteed lump sum** of funding. **You gotta work for it!**

...I did the Math. I got my Award Letter. What now?

You should:

- Look at the award letter from the school. Identify **any loans** or any **family contribution** on the letter.
- Look at the **cost of attendance** breakdown you did for your college. **What are they telling you to take out loans or pay for?**
- Is there anything they are offering you money for that you are already covering (i.e housing costs, transportation, etc). **Deduct that from your cost of attendance.**
- Decide as a family:
 - Do I/We need to take out this loan (or all of it)?
 - Do I/We have expenses we have to figure out how to cover? If so, what are they?
