Brianna Urrutia
Peer Mentor

I grew up in East Wenatchee, and I'm currently working toward my Associate of Science - Transfer Degree (AS-T).

My favorite activities outside of class are gardening, reading, and journaling. My favorite thing about campus is that there are countless places to study.

I'm excited to be a Peer Mentor because it'll help me get to know other students on campus better.

Melissa Garcia
Peer Mentor

Hi! My name is Melissa and I am currently studying at Wenatchee Valley College and finishing my prerequisites.

In my free time, I enjoy going on drives, drinking coffee, and spending time with friends. What I love most about WVC is the supportive community and opportunities to connect with other students.

I'm really excited to be a Peer Mentor and help others feel welcomed and supported on campus!
