FOSTERING COLLEGE KNOWLEDGE:
Planning & Paying for Higher Education for Youth in Care

If you have been in foster care at any time after age 13, money and resources are available to help you go to college - including vocational training, 2- and 4-year options - for most Washington State schools.

All of the resources listed in this guide are specific to youth who have been in foster care. Use this guide to learn how you can find money and support to pursue education beyond high school! You can also check out www.readysetgrad/fostercare for additional information and links.
